BOLDLY BEARCAT.

Boldly. It’s not a word for the timid. Or for people who prefer to experience life on the sidelines. It’s reserved for people who do more than embrace challenges. They seek them out. It’s how possibilities become achievements. Advancements are made. Milestones are reached. It is what has powered us for 200 years. As we celebrate our bicentennial, we look back with pride and forward with great confidence. Welcome to the celebration, because this is a remarkable time to be a Bearcat.
